

2015 MARLBOROUGH CHARDONNAY

How we made it

The 2015 Marlborough growing season was another classic. Warm, dry weather with occasional rain produced a high yield of high quality grapes with exceptional purity of flavour. For this wine, we selected the most expressive and textured parcels of fruit. The fruit was selectively harvested and de-stemmed in the vineyard with minimal handling to capture the delicate aromatics. Additional contact time between juice and skins added textural complexity to the wine. At the winery, the grapes were pressed directly to barrel.

Barrels were selected to support the natural structure of the wine and allow the aromatics to shine. For fermentation, specific yeast strains were used to both capture and enhance the multitude of aromas and flavours. During the 10 months of oak maturation, the wine had minimal intervention, except for our winemakers topping the barrels with the "Angel's Share". After maturation, only the best barrels were blended, filtered and bottled.

How it tastes

BRIGHT & INTRIGUING WITH STONEFRUIT, CITRUS & GUNFLINT AROMAS. THE LIVELY PALATE IS BALANCED WITH CONCENTRATED LAYERS OF NECTARINE & TOASTED HAZELNUT. MATCHED BY A REFRESHING LINEAR STRUCTURE, THIS IS TRULY A MOREISH COOL CLIMATE CHARDONNAY.

Technical stuff

PH. 3.34
GRAPES FROM. Marlborough
VARIETY. Chardonnay
ALCOHOL. 13.0%
